

Club Teacher Training Course

Trafford Bridge Club, 3rd - 4th October

Join us for a weekend of tuition and guidance on teaching bridge

We hope this course will be of interest to all those who are interested in teaching bridge, either independently or as part of a club's efforts to attract new members and 'grow their own' through an integrated teaching programme.

The course is provided by English Bridge Education & Development, the national charity for the promotion and development of bridge, using the Bridge for All materials developed by the EBU.

The course is open to all – delegates do not need to be EBU members, although special concessionary rates are available for delegates from affiliated clubs.

Course details are available from the EBED website at www.ebedcio.org.uk/club-teacher-training

Entries and enquiries should be made directly with Lisa Miller at lisa@ebu.co.uk or by phone on 01296 317217

Places are limited and are filled on a first come first served basis.

The cost is £106 per person, including lunch.

The EBU offers one free teacher training session to each affiliated club within any 24 month period - please ask Lisa for more details.
